HOUSING ALLOWANCES

Military members are entitled to various allowances to ensure the transition to a new location is as smooth and stress free as possible. If you have any questions about the allowance listed, please contact the HMO.

Basic Allowance for Housing (BAH)

Military members assigned to Cannon AFB receive Basic Allowance for Housing (BAH). The purpose of the BAH program is to provide housing allowances to service members based on median housing costs in local civilian markets. The DoD determines the correct housing allowance to enable members to afford suitable housing within a reasonable distance of their duty location. The allowance is set based on geographic duty location, pay grade, and dependent status and is adjusted each year.

For more information about your BAH, visit the [Defense Travel Management Office](#) website.
